

**POST-EVENT PRESS RELEASE**  
**27th International Exhibition of Means of State Security Provision**  
**INTERPOLITEX-2023**

The 27th International Exhibition of Means of State Security Provision INTERPOLITEX-2023 was held on October 17-19, 2023 in Moscow (Russia), VDNH complex, pavilion No. 57.

The exhibition was held with the support and active participation of representatives of the Ministry of Defense of Russia, the Ministry of Internal Affairs of Russia, the Ministry of Emergencies of Russia, Federal National Guard Troops Service, Federal Customs Service of Russia, the Investigative Committee of the Russian Federation, the Federation Council and the State Duma of the Federal Assembly of the Russian Federation, the Government of Moscow, the Russian Union of Industrialists and Entrepreneurs and other organizations.

The issues of new technologies development for ensuring the security of the state and the individual were discussed in the open format of business program events of the project:

- within the framework of **strategic session "Robotics and artificial intelligence of special application"** the heads and specialists of the Department for the Development of Artificial Intelligence Technologies of the Ministry of Defense of Russia, the Ministry of Transport of Russia, All-Russian Research Institute of State Emergencies of the Ministry of Emergencies of Russia and a number of enterprises-manufacturers of special equipment discussed crucial industry issues;

- the guests of honor of the presidium of **scientific and practical conference "Modern technical means for ensuring the protection of the state border, customs and sanitary control"** were the representatives of the Federal Customs Service of Russia, border departments of the CIS member states from the Republic of Belarus, the Republic of Kazakhstan and the Kyrgyz Republic;

- **All-Russian scientific and practical conference "Technical and forensic support for the disclosure and investigation of crimes"** was organized by the Vladimir Kikot Moscow University of the Ministry of Internal Affairs of Russia;

**X Anniversary Non-State Security Forum "Safe Capital"** was organized by the Coordination Council of the NSS of Russia and Moscow Chamber of Commerce and Industry in cooperation and participation of representatives of the Government of Moscow, Moscow City Duma, the Main Directorate of the Ministry of Emergencies of Russia in Moscow, public councils of the Federation Council of the Federal Assembly of the Russian Federation and the Main Directorate of the Ministry of Internal Affairs of Russia in Moscow, as well as public and industry associations ensuring public safety.

The following individual events were held for the specialized audience during the exhibition:

- **conference "Digital technologies of modern forensics, application of special knowledge"** organized by the Main Forensic Department (Forensic Center) of the Investigative Committee of the Russian Federation;

- **the expertise of innovative projects in order to define the AI technologies application in its operation process** organized by the Department for the Development of Artificial Intelligence Technologies of the Ministry of Defense of Russia;

- selection rounds of the **NATIONAL SECURITY contest**.

The exposition of INTERPOLITEX-2023 has covered **more than 1 200 sq.m.** of the surface of Pavilion No. 57 on the territory of VDNH complex.

**Over 100 Exhibitors** took part in the event, including manufacturers from Russia, Belarus, China and Turkey.

**More than 11 000 Visitors** from relevant state bodies, military-industrial complex and security industry in general attended the show.

More than 60% of Visitors were presented by the decision-makers on procurement issues, up to 25% - heads of departments of state bodies, industrial enterprises and industry organizations.

INTERPOLITEX-2023 has traditionally become a platform for meetings with foreign customers. **More than 15% of Visitors came from abroad.**

The event was attended by official delegations of **more than 20 foreign countries**: the Sultanate of Oman, the Islamic Republic of Iran, the Republic of India, the DPRK, the Socialist Republic of Vietnam, Mongolia, the Lao People's Democratic Republic, the State of Kuwait, the State of Qatar, the Kingdom of Bahrain, the United Arab Emirates, the Islamic Republic of Pakistan, the Republic of Sudan, People's Democratic Republic of Algeria, the Arab Republic of Egypt, the Kingdom of Morocco.

The exhibition was attended by heads and specialists of law enforcement agencies and special services from more than 60 constituent entities of the Russian Federation.

Within the framework of the exhibition, a number of competitive and expert selections of innovative developments in security field were held. The interdepartmental competition commission of the NATIONAL SECURITY (2023) contest included specialists from the Ministry of Defense of Russia, Federal National Guard Troops Service, EMERCOM of Russia and Association of Technical Security Equipment Enterprises.

Within the framework of the contest, 25 innovative technological developments were presented; three unique developments of Russian specialists became the winners of the competition:

**1st place:** Small-sized robotic module for detecting small-sized UAVs (developed by the Military Training and Scientific Center of the Air Force "Air Force Academy named after Professor N.E. Zhukovsky and Yu.A. Gagarin" (Voronezh);

**2nd place:** Software and hardware complex for the formation and processing of radar images using neural network technologies (developed by the Military Training and Scientific Center of the Air Force "Air Force Academy named after Professor N.E. Zhukovsky and Yu.A. Gagarin" (Voronezh);

**3rd place:** System for active monitoring of the state of integrated security of facilities of the highest category (developed by a branch of the Peter the Great Strategic Missile Forces Military Academy in Serpukhov).

**More than 80 Russian and foreign media** covered the events held at the platform of INTERPOLITEX-2023, including all major federal channels and print media of Russia.

INTERPOLITEX is a unique and outstanding event in the field of state security, a brand with a 27-year history, a leader in innovations in the field of interdepartmental information interaction, implementation of state programs and federal projects in the field of national security system efficiency improvement.

**Special thanks to our partners, Exhibitors and Visitors for their solidarity and dynamic response to new security challenges.**

**28th International Exhibition of Means of State Security Provision  
INTERPOLITEX-2024 will be held on 06-08 November, 2024 in  
Moscow, on the grounds of EXPOCENTRE complex, pavilion No. 1.**
